Please--NO Pets

There are significant changes in the tax laws this year. Please take the time to read through this message.

THE NEW TAX LAWS, CREATED BY THE TAX CUTS AND JOBS ACT passed two years ago, will affect each of you one way or the other. It is important to note that under the Tax Cuts and Jobs Act, taxpayers cannot claim any miscellaneous itemized deductions for unreimbursed employee expenses on your Federal return. Simply put, that means all of the expenses you generally incur as an actor, including agent and manager fees, are no longer deductible against the income you earn as a W-2 employee on your Federal return. For many of you that stipulation may have zero impact on your return because of the increase in the standard deductions below:

Standard Deduction Increases

Single and Married Filing Separately: \$12,200 **Married Filing Jointly:** \$24,400 **Head of Household:** \$18,350

As you can see the standard deduction approximately doubled across all filing statuses in 2018. That means millions of people will be better off claiming the standard deduction than itemizing their deductions. That's true even if they own a home.

STATE AND LOCAL TAXES/HOME MORTGAGES:

The bill limits the amount of state and local property, income, and sales taxes that can be deducted to \$10,000. In the past, these taxes have generally been fully tax deductible. That doesn't mean you're "losing" the mortgage interest deduction, however. They would like you to think of the deduction as already built into the new, larger standard deduction.

SO WHY SHOULD YOU FILL OUT THIS FORM AS WE HAVE ASKED IN THE PAST?

Making the preparation of your return even more confusing, several states (i.e. California and New York) are **STILL ALLOWING** these deductions. Therefore while not allowed on your Federal return, they could have a significant impact on your state return.

ADDITIONALLY, YOU ARE ALSO ALLOWED TO WRITE THESE COSTS OFF against any **INDEPENDENT CONTRACTOR / SELF EMPLOYED** income (cash or 1099-MISC aka NON W-2 income) you receive if those expenses are directly used to generate the "Cash" income you earned.

IN LIGHT OF THE EVER INCREASING THREAT OF ID THEFT: If you want to send any documents by mail with your Personal Information on it, please use copies and use Priority Mail or email it in a password protected email. You can always fax it as well. **Never send original documents** through the mail.

MORE IMPORTANT NOTES:

The value of the Child Tax Credit has doubled to \$2000. If you have children and expect to receive the Child Tax Credit or Earned Income Credit, the IRS is requiring us to collect proof of the existence of your children. This could be school records, a copy of their Birth Certificate (for all children), a copy of their adoption papers or other records. We will need to keep a copy for our records.

HEALTH CARE: The individual mandate has gone away for your 2019 return. This means that you will no longer pay a penalty if you did not have health insurance in 2019. You are no longer required to report your health insurance on your return UNLESS you or a family member were enrolled in health insurance through the Marketplace (Covered California) and advance payments of the Premium Tax Credit were made to your insurance company to reduce your monthly premium payment.

Our rates remain the same as last year, which were raised to cover a variety of costs including software and computer costs, insurance fees, and typical business costs. At one time the professional status of our associates was limited to one CPA. Today we have added five Enrolled Agents. That's almost half our staff.

For several years we have had to institute higher fees as the season progresses in order to get our clientele to file sooner but we still find ourselves overwhelmed in late March and April.

However, if you can schedule an appointment for the month of February you will still receive our incentivized early booking rate of \$250. After February we find ourselves overwhelmed and therefore having to charge substantially more. The new fee schedule is outlined on the second page of our Engagement Letter (Page 15 of this packet).

AS ALWAYS:

> **We say this every year. Compare your check stubs with your tax forms.** Make sure you have received all of your forms before you come to your appointment, preferably before you schedule an appointment. In the event you are missing any forms, please call the issuer and have them sent to you ASAP. If you moved, some mail may not have been forwarded. **We cannot complete the return without the actual tax forms.**

> **Our policy is to complete your tax return in the 90 minutes allotted to you.** If we have to go into overtime, it is charged at \$260 an hour. If you do not have all of your forms or numbers, and have to come back to finish the work, it will require an additional appointment and overtime will be charged for a second appointment no matter how many minutes you were here to begin with.

> **You can get a PDF of your return during your tax appointment on our flash drive for \$10.** If you request a PDF any time after your tax appointment, it will be \$25 as we password protect it and send it in an email to you.

YOU ARE ALLOWED TO WRITE OFF THE BUSINESS USE OF YOUR CAR, i.e. Business Miles above. Any miles you drive in pursuit of your career or business are considered BUSINESS MILES. If you are an actor these would include Auditions, Classes, Rehearsals, Agent/Manager meetings, Shooting Headshots, Office Supplies, Post Office, etc. If the item or activity is deductible, then the mileage you drive for that activity is deductible.

Anyone who has ever been AUDITED is a big believer in documenting their business mileage. You can use a phone app, or write it down in a logbook format. You can buy a mileage log at any office supply store or ask Jordana in our office for her version of a mileage log. You should always back up your phone app or log your entries in a permanent manner. The IRS loves layers of proof.

We will also need an idea of what you may consider your Commuting Miles. These are normally the miles you drive to work and back, generally for your every day job. If you don't have a "day" job, then let us know and we will work that out with you. Whatever mileage you have remaining is personal mileage and remember—everyone has personal miles they drive in their car.

For Travel or **OUT OF TOWN** meal costs, the IRS Standard Meal Allowance for 2019 throughout the country varies from \$51 per day in smaller cities to as much as \$74 per day in major cities. These allowances are for ALL meals and tips per day. If you believe that your ACTUAL expenses exceed this amount, then you should be prepared to prove it in an audit with your travel records and receipts.

We have the IRS standard meal allowances in our office but If you are audited, you'll have to prove where you traveled and how many days you spent there (include travel days in your total) to validate the expense.

For any Travel Expense greater than \$75, you **MUST** have a receipt (expenses less than \$75 can be hand written in your book), but you must **ALWAYS** have a receipt for any amount of Lodging Expense.

The Policy of California Tax Education Council (CTEC)

This is being presented so that you are aware of the Tax Preparer Code of Conduct and Responsibilities established by the California Tax Education Council.

Background: In 1996 the California Legislature passed the Tax Preparers Act, Business and Professions Code 22250-22259, which regulates tax preparers. Those sections of the statute pertaining to tax preparer ethics, professional conduct, conduct regarding bonding and penalties for breaking the law are listed below.

A tax preparer is defined as *“a person who, for a fee, assists with or prepares tax returns for another person or who assumes final responsibility for completed work on a return on which preliminary work has been done by another person, or who holds himself or herself out as offering those services.”*

A tax return is defined as *“a return, declaration, statement, refund claim, or other document required to be made or filed in connection with state or federal income taxes or state bank and corporation franchise taxes.”*

When a person prepares a tax return, for a fee, without the appropriate lawful designation, he or she could be cited and fined up to \$5,000 for each illegally prepared tax return. According to California Business and Professions Code 22253.2, the Franchise Tax Board may notify the California Tax Education Council when it identifies an individual who has violated the law. The Franchise Tax Board pursuant to an agreement with the California Tax Education Council, may do any of the following: (1) Cite individuals preparing tax returns in violation of subdivision (a) Section 22253. (2) Levy a fine of up to five thousand dollars (\$5,000) per violation. (3) Issue a cease and desist order, which shall remain in effect until the individual has come into compliance with the provisions of paragraph (1) of subdivision (a) of Section 22253.

CTEC Registered Tax Preparers (CRTPs):

- Must register as a tax preparer with the California Tax Education Council (CTEC).
- Must maintain a \$5,000 Tax Preparer Bond issued by a surety company admitted to do business in California. A tax preparer shall provide to the surety company proof that he or she is at least 18 years of age before a bond can be issued.

- Must furnish evidence of a current bond upon the request of any state or federal agency or law enforcement agency.

 - *** **If you have Child Care Expenses** make sure you have the address, phone number and Federal I.D. number of provider.

WARNING: Because performers are usually employed by more than one company throughout the year, make certain that you have compared your check stubs against the W-2’s and 1099’s mailed to you and have ALL the Tax forms you should be receiving BEFORE making an appointment.

- * If you have moved, changed a mailing address or have had W-2’s going to your agent, you should contact the employer to confirm you will receive them at the correct address. Be sure all of your employers (Past/ Present) have the new address--*Not just the Union(s).* Amending your return costs you time and money!
- * The amounts on the W-2s and 1099s can be wrong -- ALWAYS check against your pay stubs to be sure!

Even though companies are supposed to have all of your W-2s and 1099s mailed by January 31st, they don't always comply and it isn't their job to make sure you receive them at the correct address. However, you can bet that the IRS WILL receive their copy, and if you don't report that income, the IRS will be sure to find you and let you know.

ENGAGEMENT OF SERVICES AGREEMENT

Client Name (s) _____ Date _____

This letter is to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide.

We will prepare your Federal Income tax return and income tax returns for the states of _____, with supporting schedules, and perform related research as considered necessary (herein after known collectively as the “returns”). This engagement pertains only to the tax year _____, and our responsibilities do not include preparation of any other tax returns that may be due to any taxing authority. A similar letter/contract will be issued and signed for any other tax years wherein you choose to engage this firm. Our engagement will be complete upon the delivery of the completed returns to you, unless you notify us that you require further tax services including, but not limited to, amendments, audit representation, extensions, and any and all other services related to your income tax returns which you request.

The fees for our primary services are per, and as specified in, the accompanying schedule, and services not specifically identified therein will also be based on an hourly rate of \$260 per hour or the scheduled rate we publish for that time of year. Your actual client fees incurred will be based on the time necessary to complete such services.

Based on what can be anticipated for your present expressed needs, we estimate your charges will be in the range of _____ for _____. This figure may change if more time and/or services than written above prove to be needed, including services at a later date, such as preparing amendments and providing audit representation.

Should our services for a given tax year extend for more than a year period, another letter of engagement needs to be completed for each year of continuing work.

Please take special note that unless the process of electronic filing is appropriate for your returns, you will be solely responsible to file any returns we prepare for you with the appropriate taxing authorities.

We will furnish you with our tax packet to guide you in gathering and understanding the necessary information required for your tax preparation. Your thorough completion and use of these forms provide for the most accurate return and assist us in keeping our fees to a minimum.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. We will not audit or otherwise verify the data you submit. Accordingly, our engagement cannot be relied upon to disclose errors, fraud or other illegal acts that may exist in the information you have provided.

ENGAGEMENT OF SERVICES AGREEMENT CONTINUED

In addition to the information you have placed in the packet, or other papers you may provide, you further acknowledge that to the best of your knowledge and belief during the interview/preparation process you have provided accurate, complete and full disclosure in your answers to any and all questions regarding income, expenses, deductions and exemptions in an effort to ensure that your return is prepared accurately.

To the extent we render any accounting and/or bookkeeping assistance, it will be limited to those tasks we deem necessary for the preparation of the returns and may lead to additional costs. Therefore, your commitment is essential to our ability to complete this engagement. Specifically, we must receive comprehensive information from which to prepare your returns within a reasonable period of time.

If, during our work, we discover information that affects your prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us to discuss the best resolution of the issue.

It is always possible your returns may be selected for review (audit) by one or more taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such tax examination(s), we will be available upon your written request to represent you during the examination and/or during any appeal for an additional fee.

You should retain all the documents, receipts, records, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

In acknowledgment and acceptance of these terms and considerations, and as client(s) of Chuck Sloan and Associates, (I) (we) hereby enter (my) (our) signature(s).
